

Sowerby Parish Council  
Ordinary Meeting 12th January 2017  
Bullet Points

- A parishioner commented on the excellent new footpath at Memorial Park and hopes the Parish Council are able to upgrade some of the other paths the same way. He also reminded the Clerk that minutes and bullet points are expected to be on the village notice board, which is being addressed
- A report was received from PSCO Walker, thefts at the allotments are being monitored and a cycle safety campaign is underway
- Cllr Baker advised that Blakey Bridge repairs had been carried out. Also he has not yet received an application from the library for funds from his Locality Budget
- Fly Posting was raised as notices for the Winter Event at the Auction Mart are still up
- Phase three of the housing at Sowerby Gateway will trigger the construction of the new junction. A planning application is live for these homes and the highways Agency will be responsible for the junction work
- Minutes were shared from the Rail User group and Thirsk Town Hall committee
- The next meeting will be Thursday 9th February
