

Sowerby Parish Council
Ordinary Meeting 13th October 2016
Bullet Points

- The grass in Green Lane West is becoming dangerous. As NYCC are only able to cut once a year Cllr Robson proposed Sowerby Parish Council arrange cutting of this area to keep it safe and passable
- Residents expressed thanks to NYCC for clearing out the gulleys on Blakey Lane
- County Councillor Baker confirmed that there are **no** plans to close the tip at present
- PCSO Walker delivered a report on crime in the area, advising of a reduced level in the last month. There have been two successful operations focusing on local pubs and nationwide rural crime
- The missing posts on the Flatts Walk will be fitted over the next week
- Donkey Lane light has been put on order but may take 6 weeks to change as it is being upgraded to LED
- Noticeboards and the parish office window will continue to have minutes and bullet points displayed, apologies this was not the case in September due to office issues, measures are now in place to allow the clerk to work remotely if necessary
- Sowerby Parish Council has 2 vacancies for co opted members, applications should be forwarded to the Clerk in the first instance
