

Bullet Points from the Ordinary Meeting 13th June 2019

- Conditions of the pathways were raised, the resurfacing of one side of Front Street was commended but other areas need attention and this will be raised with Highways
- Drainage work on Topcliffe Road is ongoing with the next phase due in August
- A Tree Health and Safety Survey has been completed in the village
- A co opted Parish Council vacancy is still available and will be advertised
- Locations will be reviewed between meetings for the possible locations of a speed activated sign for use around the village
- **Next Parish Council Meeting 11th July 2019**
