

Sowerby Parish Council  
Ordinary Meeting 8th February 2018  
Bullet Points

- Representatives from Yorkshire Water attended the meeting to advise of the plans regarding waste transfer from Bagby into the treatment plant at Sowerby. Extensive works will be carried out to allow this to happen and ensure the capacity of the Sowerby plant is not affected
- Fiona Coleman presented the design for the roundabout at the Sowerby Gateway, which was accepted by councillors and will be put forward for planning approval
- Standing water and blocked gulleys have been reported to highways again
- Governance at the Sowerby Primary Academy was discussed amid concerns that local representation would now be limited in the Multi Academy Trust
- Hambleton has launched this years Making A Difference grant programme, giving £125,000 to causes within the 5 market towns and surrounding areas
- The Council approved a donation to the Royal British Legion in support of their 100 year remembrance celebrations
- The next meeting will be Thursday 8th March 2018
